

RATE SHEET

Personal and Business Deposit Accounts

Deposit Interest Rates and Annual Percentage Yields (APYs)*

*Interest rates and Annual Percentage Yields (APYs) listed in this Rate Sheet are effective on the date shown above. Interest rate means an annual rate of interest paid on an account. APY is a percentage rate reflecting the total amount of interest paid on the account based on the interest rate and frequency of compounding. The following personal and business deposit accounts may be opened online: Checking, savings, money market and certificates of deposit for existing and new customers.

Information in this Rate Sheet may change at any time without notice. Refer to your account disclosures and fee schedule presented to you during your account opening process.
